“ I am saddened to hear of your Dad's death Mary Jo and Bill. He indeed could dance up a storm as we did at Jake and Leah's wedding. Too, I enjoyed visiting with him on more than one occasion.

Please extend my sympathy to your brother, sister and other family members.

Love,

“ So many great memories in my teen years at the Middleton household and the amazingly kind and funny Harold. I especially remember that he taught me, and other of his son Steve's friends, how to play and win at Euchre! My condolences to the entire Middleton family. - Brad Slaight

“ I loved the time our family's got together at Hardy Dam camping. Buck would get the kids to look for Satellites and pay a quarter for the first one spotted. We knew it was to get us to sit still for awhile... Our thoughts and prayers are with you.

“ Although I wasn't technically family, Buck always treated me like I was. So did his family. My deepest condolences to all of you. He will be greatly missed.

“ I'll always remember how kind Buck was to me, his teasing and jokes. He always asked what I'd been up to, and how my sisters were as we chatted while watching the birds out the window that were (faithfully fed) as the old westerns ran across the TV. We talked about his time in the service and the old days as my dad had served in the Navy in the Korean war also. It was very apparent how much he loved his family and how many lives he touched. He'll be missed by so many.
Wishing peace and comfort to the entire family...
