“ We both worked for and with Ginny at Clarkston Community Schools in the early 1980s. She was truly dedicated to her students and the district she served. Her laugh was always infectious. She made both students and staff feel appreciated whenever you talked to her.
She will be missed.

“ When I received the notice of Ginny's death, I was saddened, yet moved as I recalled the memorable times we spent together working for the Grand Rapids Public Schools. She exuded joy and warmth seemingly all of the time during the work day. Ginny was featured in many of our Grand Rapids Community Education promotions as the person to call to get information on our programs. Our "Call Ginny" promotion was very successful.

She brought a great deal of happiness to the world and I am grateful that our paths crossed and that I was able to share a few years with this wonderful colleague.
